WHY CHOOSE AMADEUS SUMMER CAMP?

"The teachers, staff, and students at the summer program were phenomenal! My daughter's German teachers made her language learning enjoyable and impactful, while her violin and piano instructors provided valuable progress updates. The staff were attentive and created a welcoming environment where she felt happy and comfortable. She made wonderful friends, regardless of age, and the inclusivity and care within the group were remarkable. The bonds they formed were so strong that she is still in touch with them! Overall, her 4 weeks at AMADEUS have completely exceeded our expectations and she was just always blissful!! Thank you so much!"
